Dear Dr. Rasco,

*Recertification to ISO 9001:2008, ISO 14001:2004, and to OHSAS 18001:2007*

After your completion of the reassessment of your Integrated Management System, the Governing Board of Certification International Philippines, Inc. hereby recertifies *Philippine Rice Research Institute* to ISO 9001:2008, ISO 14001:2004, and to OHSAS 18001:2007. The Certificates are valid from 06 May 2013, with the following scope:

*"Rice research and development, business development (seed production, rice wine production, marketing and distribution, and other products), general administrative support services, and executive management."*

Your IMS Certificates are valid until 13 January 2016, subject to satisfactory results of annual surveillance audits. The further extension of your Certificates after this period will be based on your effective conformity to the requirements of ISO 9001:2008, ISO 14001:2004, and of OHSAS 18001:2007, as determined by a reassessment of your Integrated Management System in its entirety. Please see attached surveillance audit schedule.

As a certified organization, you are required to maintain your Integrated Management System to ISO 9001:2008, ISO 14001:2004, and to OHSAS 18001:2007 and to comply with CI's Conditions of Certification, including the use of CI's Certificates of Registration and Certification Marks in accordance with CI Regulations Part 4 and Part 5 (copy enclosed).

The validation of the consistent implementation and effectiveness of your corrective actions on the non-conformities cited during the reassessment audit will be carried out on the first surveillance audit.

Congratulations on your accomplishments with the continued use of IMS as an instrument for enhancing the competitiveness of your organization and for meeting your customers' needs and expectations. We look forward to a strong partnership that will maximize your organization's benefits from its certified Integrated Management System.

Very truly yours,
