**Resolution No.40
Series 2011**

A RESOLUTION EARNESTLY SUPPORTING THE PLAN OF PHILIPPINE RICE RESEARCH INSTITUTE TO CONDUCT FIELD TRIAL OF GOLDEN RICE, IN THE BARANGAY CARAYCAYON, TIGAON, CAMARINES SUR.

WHEREAS, Vitamin A Deficiency (VAD) is prevalent among young children and lactating women and the main cause not only of blindness but also of malnutrition and mortality in the Philippines;

WHEREAS, Vitamin A is essential nutrient needed for the visual system, growth, development, and a healthy immune system. Everybody needs Vitamin A to grow and thrive, particularly mother and young children;

WHEREAS, Golden rice is a new type of rice developed through modern biotechnology that contains beta-carotene (a vitamin A precursor) in the grain. Studies have shown that consuming about a cup of Golden Rice can supply half the total daily need for vitamin A of an adult;

WHEREAS, the Philippine Rice Research Institute is the lead agency in the development of Golden Rice and has just satisfactorily completed laboratory testing and shall now commence field trials;

WHEREAS, the recommended site is the farm lot at Sitio Ambawan, Caraycayon, this municipality, and the recommended farmer therefore is Mr. Elmer L. Orfanel;

WHEREAS, this local legislative council always supportive to any undertakings that will uplift the economic and nutritional status of local farmers and consumers;

[Handwritten signatures of council members]

WHEREFORE on motion of Brgy. Kgd. Felicidad B. Namoro, duly seconded by Brgy. Kgd. Estrillia P. Palero, be it-

RESOLVED, as it is hereby resolved by the Sangunian Barangay at Caraycayon, Tigaon, Camarines Sur in session assembled, to earnestly support the plan of Philippine Rice Research Institute to conduct field trial of Golden Rice develop through modern biotechnology, in the Barangay Caraycayon Tigaon, Camarines Sur;

RESOLVED FURTHER, that copy of this resolution be furnished the Philippine Rice Research Institute, for their information, reference, and appropriate action;

APPROVED, this 3rd day of July 2011.
