Resolution No. 17-2012
Series 2012

A RESOLUTION EARNESTLY SUPPORTING THE PLAN OF PHILIPPINE RICE RESEARCH INSTITUTE TO CONDUCT FIELD TRIAL OF GOLDEN RICE, IN THE BARANGAY MALASIN, SAN MATEO, ISABELA.

WHEREAS, Vitamin A Deficiency (VAD) is prevalent among young children and lactating women and the main cause not only of blindness but also of malnutrition and mortality in the Philippines;

WHEREAS, Vitamin A is essential nutrient needed for the visual system, growth, development, and a healthy immune system. Everybody needs Vitamin A to grow and thrive, particularly mother and young children;

WHEREAS, Golden rice is a new type of rice developed through modern biotechnology that contains beta-carotene (a vitamin A precursor) in the grain. Studies have shown that consuming about a cup of Golden Rice can supply half the total daily need for vitamin A of an adult;

WHEREAS, the Philippine Rice Research Institute is the lead agency in the development of Golden Rice and has just satisfactorily completed laboratory testing and shall now commence field trials;

WHEREAS, the recommended site is the farm lot at PhilRice Isabela, Malasin, San Mateo municipality, and the recommended researchers therefore are Mr. Democrito B. Rebong II (Branch Manager), Ms. Andrea M. Flores (Research Coordinator), and Mr. Neil Nemesio A. Baliuag (Plant breeder/SRS II);

WHEREAS, this local legislative council always supportive to any undertakings that will uplift the economic and nutritional status of local farmers and consumers;

WHEREFORE, on motion of Brgy. Kgd. Ferdinand Burgos, duly seconded by Brgy. Kgd. Romeo O. Balot, be it,

RESOLVED, as it is hereby resolved by the Sangunian Barangay at Malasin, San Mateo, Isabela in session assembled, to earnestly support the plan of Philippine Rice Research Institute to conduct field trial of Golden Rice develop through modern biotechnology, in the Barangay Malasin, San Mateo, Isabela;

RESOLVED FURTHER, that copy of this resolution be furnished the Philippine Rice Research Institute, for their information, reference, and appropriate action;

APPROVED, this 29th day of July 2012.
